Tamiya Eurocup Practice Meeting Entry Form

Venue: Castle Combe Steam Rally, Wilts

Date: 12th May 2001

Please note that entry to this event must be PRE BOOKED.

This meeting is part of the annual Castle Combe Steam Rally. It is a large public show (approx. 3,000 visitors), and provides the public with an opportunity to see a mix of stationary and working engines plus a variety of other vintage vehicles.

We are pleased to be invited to run a race meeting over the weekend and you will find below an entry form for the practice sessions for the Tamiya Eurocup. Racing will be outside on a section of the main racing track, and will be approximately 50m*15m. Camping is available on Friday and Saturday night. Confirmations for the main Eurocup (Sunday) will be sent to you in the 'normal' way. Saturday morning will be open for free practice, and Saturday afternoon will be set aside for timed heats and finals.

On the Saturday we will also be running classes for Junior Touring and Touring Cars to BRCA Rules, for which a separate entry form is available.

To gain entry to the overall event you will require a pass. If you are racing in the Eurocup on Sunday you will receive a pass with your Tamiya confirmation; additional passes, subject to availability, will be sent out on a first come first served basis (cost £1/per adult). Please note that the 'standard' admittance fee is £4.

Entries close on the 29th April. Please send your entry form, and Cheque (payable to "Chippenham Model Car Club"), to Stephen Fabray, 149 High Street, Marshfield, Chippenham, Wilts, SN14 8LU. In addition you may contact me on 01225 892379, email: Stephen.Fabray@cmcc.org.uk
